* FUN FACT

Growing up, people often misspelled my name. Sometimes people even asked me if I had misspelled my own name. They would say, "How do you spell your name?" and I would say "B-R-I-Teeee- Teee - N - Y...". They usually stop, look at it, look at me and ask, "No 'e'?" and I always confirm "No 'e'." with a half-hearted, slightly sarcastic smile. But after almost 3 decades- it kinda stuck. So now it's NOE.

MY MAIN OBJECTIVE

PURPOSE
AND
MISSION

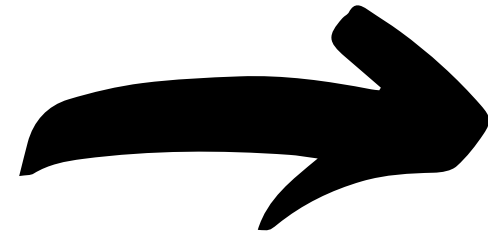

MY PURPOSE IS TO USE THE GIFTS AND TALENTS GOD HAS GRANTED ME TO BE A RESOURCE AND INSPIRE/UPLIFT OTHERS TO ACHIEVE SUCCESS WITH THEIR OWN GIFTS AND TALENTS. I INTEND TO USE MY UNIQUE BACKGROUND TO UNITE PEOPLE WHO MIGHT OTHERWISE BE DIVIDED.

MY MISSION IS TO CREATE A CULTURE OF FILM PRODUCTION THAT FREELY ACKNOWLEDGES GOD AND CHRIST AND DOES NOT REQUIRE THOSE INVOLVED TO COMPROMISE ON THEIR BELIEFS.

REALITY DOCUSERIES

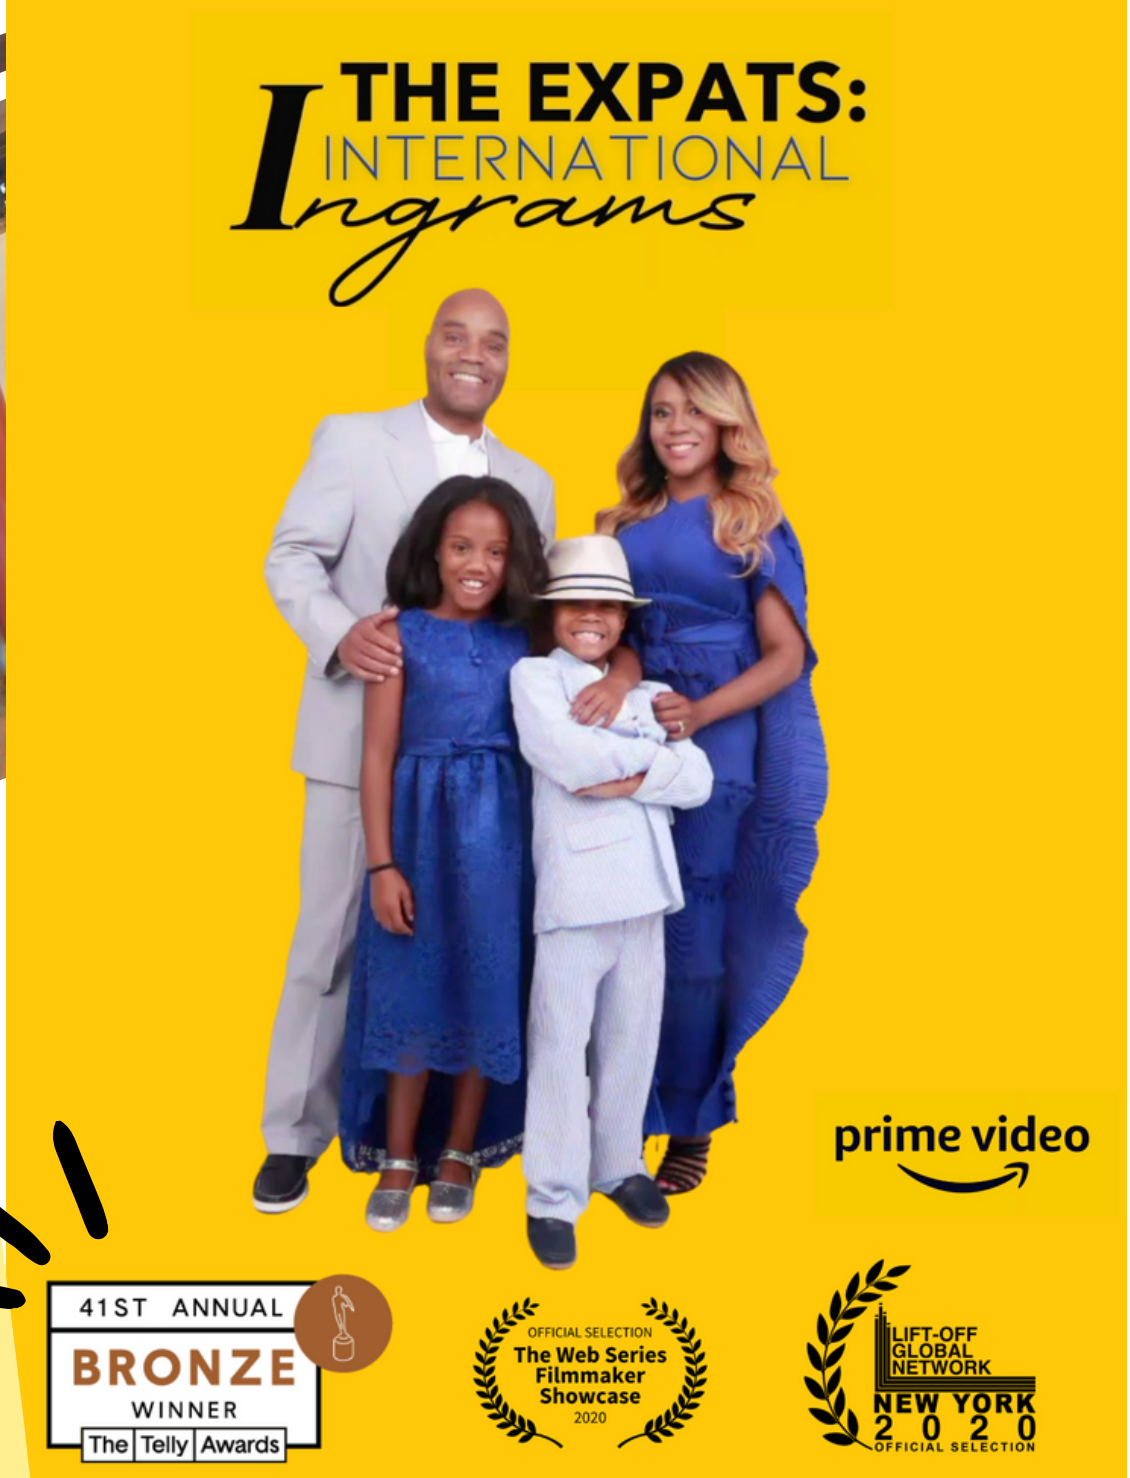

THE EXPATS: INTERNATIONAL INGRAMS

The 1st expat centered Reality Docuseries of it's kind; produced, directed and edited by Brittny "Noe" Williams.

Ministering with and utilizing an "edutainment" approach, the docuseries ushers in a new genre of "smart-reality TV", offering a positive, Christian and immensely entertaining depiction of black expats, directly combating the distorted representation of the lives and reality of black people and black families. The series challenges dangerous stereotypes by setting forth a positive, informative, and entertaining depiction of the black family.
